June 9th Housing Advisory Group (HAG) Meeting

Join us in Washington, D.C. for our annual Housing Advisory Group (HAG) Legislative Conference on Wednesday, June 9th. The conference promises to be very informative as we highlight past and present efforts to stabilize and expand investment in the LIHTC and HUD programs.

We encourage you to attend, not only so you may hear from Congressional opinion leaders addressing current issues, but also so they can hear from you. If we are to influence the issues that affect our industry, it is imperative that legislative leaders hear from the individuals that are responsible for the oversight, financing and production of housing in the U.S.
